

Who is the Rotary Club of Carlsbad?

A philanthropic organization of local business, professional and civic leaders finding ways to positively impact the community while engaging each individual's passion and skills.

Dozens of dynamic civic leaders collaborating to make the local and global community a better place to live and work.

Individuals and corporations joining together to build networks and help all members of society recognize we're all in it together.

One of the finest leadership organizations in San Diego County's North County Coastal community seeking other service-oriented leaders to build lifelong relationships.

Our club offers a casual environment filled with laughter and genuine affection. We support each other at meetings...and in real life...all the while following Rotary's 4-Way Test in all we think, say, and do, asking:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Whether you're an individual or a company representative, actively working or retired, and want to make the world a better place, there's room for you in the Rotary Club of Carlsbad.

Increasing Your Influence

Mahatma Gandhi suggested, “Be the change that you want to see in the world.”

Members of Rotary International see a world where people unite to create lasting change across the globe, in our communities, and in ourselves.

At the Rotary Club of Carlsbad, we believe the best way to better the world is to lead by example.

We encourage fellowship while finding ways to improve everyone’s lives. It may be on the other side of town...or, 8,000 miles away.

Whether we’re feeding the homeless, helping veterans, or supporting exchange students to understand other cultures, the Rotary Club of Carlsbad lays ground work for a better tomorrow.

We’re helping high schoolers become future leaders, providing seniors home support, and giving help where it’s needed.

Leveraging the friendships created through Rotary allows each of us to pursue important ideals, such as:

- Promoting peace
- Fighting disease
- Providing clean water, sanitation, and hygiene
- Saving mothers and children
- Supporting education
- Growing local economies

YOU can be part of this! Visit us once and you’ll quickly see why members of the Rotary Club of Carlsbad feel at home here—regardless of their profession, education, income, or age.

Walking Your Own Path

You want to make our community better. . .only life gets in the way. Our club members attend weekly meetings by participating in local and international service projects. It’s a guarantee you’ll grow both personally and professionally!
